

Personal Part

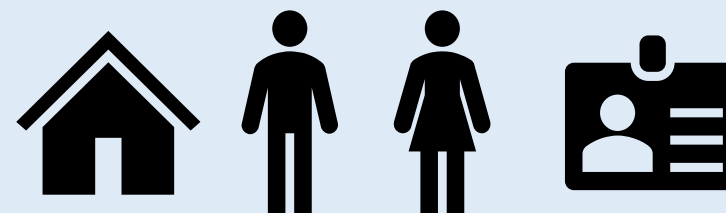

Add figures and Adapt bold font to key words :

1. Reduce reading cost

Causes: the output in the video and essay shows that there only the words descriptions of information which can be modified.

Reasons:

- Show **Auxiliary identifier** help customers understand the contents easily.
- Show **Auxiliary identifier** to help customers read more quickly.

Adapt bold font to key words and Add figures:

2. Conspicuous marking

Causes: the output in the video and essay shows that there are no way to adjust the bold of font and always use the black font.

Reasons:

- Provide a **button** which can bold the font for elder and others.
- Show **key words** in red color which are more visible.
- Show **warning symbols** to help customers realize the wrong places more quickly.

Please input your **mailing address**
